

Obamacare & You

Key facts you should know about getting Health Coverage through the Affordable Care Act.

- If you are low-income, you may qualify for expanded Medi-Cal coverage and not have co-payments or monthly premiums.
- More people will qualify for Medi-Cal through the Medi-Cal expansion, including single adults without children.
- If you are not low-income, you may still qualify for financial help from the government to buy health insurance and you should expect to pay at least a part of your healthcare coverage. Use Covered California's online calculator to calculate your cost at www.coveredca.com/calculating_the_cost.html
- You and/or your family members cannot be denied coverage due to any pre-existing conditions.
- Open Enrollment starts in **October** and you will be able to enroll in the plan of your choice over the phone at 1-888-975-1142 or online at www.coveredca.com
